I think I'm becoming racist against taxi drivers!

And double exclamation marks don't count, bitches!!

Lady Gaga analogizes sex to poker! In the song, I mean!

The worst that could happen is ADVENTURES!

Why are there not cyborgs yet?

Feelings: let's talk about them!

The two are functionally equivalent?

I am Matthew Broderick: computer hacker!

I call it, "Love and the Dead-Eyed Stoolie!"

Another beautiful day! Today is a good day you think for some new variety, some new excitement in your life! **Turn to panel 2.**

Friiiiiig!

Are you sure you want to know?

MOST DEFINITELY

LITTERING COMICS

all over the internet

Huh?

Oh, poor Veronica!

T-REX IN: "THE SALTINE CHALLENGE!"

A sex scene!

Okay, so this man gets into a car accident and wraps his car around a telephone pole!

The days sure do go by so fast!

HEY I BROUGHT SOME POTATO CHIPS T-REX

God! You came!

Because for some reason I totally believe that's your name!

A "mirror" universe, if you will!

The solution, as in most things, is smooching!

But then the boss hates him so much that he LITERALLY kicks him out and then slaps the sign back up?

STORIES FOR WOMEN

Arthur Friggin' Schopenhauer!

If they do, they're not doing it around me!!

HOW TO APPEAR TO BE CLASSY

For such a skilled dinosaur as myself, it should be simple!

tiny arms (plot point)

What I'm saying is that this is not truly satisfying!

So it goes!

...What?

But that's too easy. We have to complicate up that business!

Hee hee! I am the best friend to have ever!

Screw you, comedy!

...A GENIUS!

Unfortunately, all the good ones are taken. Sucks to THAT!

She trips to the storied landmass of AUSTRALASIA!

I don't really have a solution to this!

First: dentists!

T-REX IN: "THE DANGERS OF HUBRIS"

a cautionary tale

It's true!

The path to enlightenment is truly through homemade drugs!

Dudes and ladies! This is not such a useful reaction!

And it happened to be a forum in which I use my real name!

I don't know what they are, man! Let's talk about something else - like chicks!

Whoops! Butterfingers!

Your sense of disenchantment comes from a realization that the world is not as you believed!

ADORABLE

LITERARY TECHNIQUE COMICS

today's technique:

FORESHADOWING

As the saying goes, "three women are thrice as nice"!

Attention, world! YOU WIN!

NAZI ACCUSATIONS

Can we accept that everyone on the internet is PROBABLY a Nazi, and move on??

NEVER USE THIS WAY PLEASE:

Compadres! I bid you each... ADIEU!

Utahraptor?!

That's Newton's third law o' motion!

Good question!

... on the Internet!

Clearly it is time for all men and ladies to party... EXTREMELY hard??

Tonight is a good night I think for having Chick Peas in Coconut Milk for dinner!

It's CRAZY!

I challenge myself to watch fifty-two movies in fifty-two days!

"Aaaaaahhhh!"

...SECRET of the MEDICAL PROFESSION!

It starts like this:

Something I'll never get back again!

"THANKS FOR TAKING ME SWIMMING"

a web card

WOOOOOOOOOOOOOOOOOOOOOOOO!

And ladies, I am all about putting theories into practice!

WHERE'D I PUT MY KEYS

Dude!

Shakespeare prequels!

HAPPY CANADA DAY COMICS

I guess I'll burn that bridge when I come to it?

ROCK. ON.

FOR EXAMPLE: T-Rex is a pretty sweet dude because he's always so friggin' awesome!

Notice the 'k'!

At a speed of over eight hundred thousand kilometers an hour, no less!

PROBLEMS THAT ARE EASILY SOLVED

I'm pretty great!

I think we're good to go!

Let's do it!!

It's time to live this day...

... TO THE MAX!

Fear!

Man! Even God thinks I can't write an opera!

I -

Fatalism is when - ah, screw it!

Let's consider!

Because dudes, the Earth is spinning on its axis!

Well then, here are some friggin' tips!!

I think that time travel might not actually be possible!

...TWO DAYS AGO:

Yes!

(Duplicator rays let you make perfect copies of anything!)

AND HE'S NAMED T-REX AS HIS SOLE BENEFICIARY!

WHAT?!

SARCASM

Do people not realize what's bound to happen?

Let me give you a few pointers!

Because they TOTALLY should!

Everyone who loves parking tickets, throw your hands up in the air! Raise the friggin' roof!

BIRDS ARE SAD COMICS

This is entirely reasonable!

Then he falls down the stairs!

Expensive!

Hooray!!

He also thought the Earth was the literal center of the Universe! Fun!

Me! Glasses!

It is trillions and trillions of years in the future.

AWESOME! Turn to panel 3!

EARLIER:

My name's not important and I'm here to say / That I've been outside rapping for most of today!

SOUNDS LIKE YOU'VE GOT ALLERGIES T-REX

Nuh-uh!

All I need is a female business partner, Dromiceiomimus!

So that's it for arguing about religion! Can't verify faith!

I'm pissed off, so everybody get out of my way!

That thing is the ability to feel physical pleasure!

You believe you're totally fake!

Hiccuping forever is this weird sort of... forced immortality!

- AND I INDULGE IN THIS ACTIVITY OFTEN -

"A MALE PERSPECTIVE"

Yes indeedy!

... stories that, it turns out, are false!

Here are some things you can say to that!

I once read how to make bombs!

...which is great, because that's what you'll be doing for the next 13 cycles!

HE'S JUST NOT THAT INTO YOUR RAMBLEY STORIES

they go on for SO long and we all get tired

A VAST, MERCILESS HELL OF PERMANENT AND IMMEDIATE DANGER

Yep!

GET A DRINK T-REX

Nopers!

SOON: THE PAST?

Radical!

Yes indeed, it's good to be young!

Pretty clever, boys!!

T-REX AND HIS SUPER FRIENDS

"What? AAAAHHHHH!"

Why oh why did I make a joke about his mom?

BAD IDEAS COMICS

...today!

LITERARY TECHNIQUE COMICS

today's technique:

FALSE DOCUMENTS

Homecare is when doctors or nurses visit you in your own home!

SOON:

There! It says: "poo".

I don't know!

And it only costs fifty bucks!

Similarly, could I myself be the essential "masculine"?

... gender rolls!

A sassy cat from space who reliably sports a top hat under his fishbowl helmet!

That's funny, because I smell fine!

I will call this day "Dinosaur Present Day, Featuring T-Rex"!

T-REX AND THE DEVIL STAR IN: "ABANDONWARE ADVENTURES"

BABY WANTS HIS BOTTLE:

Aww, look at the big baby! Baby wants his bottle!

The Devil! What are you doing here?!

Thanks, subconscious!

It must be so different!

Much like... most things?

Then it's settled!

MORE PROFESSION MEMBER JOKES

Computational linguistics is the study of computer-based language processing!

Easy!

SO. NOT. ME.

I thought we had a thing going!

It's nice to see you too, Morris!

Tic Tac Toe!

In fact, I'm pretty sure I'm ALREADY an amazing dentist, you guys!

JOKES NOBODY NEED EVER MAKE AGAIN COMICS

I suppose you could say I have a "sunny" disposition?

Anyway, that's exactly what I intend to do today. Kindness ahoy!

What? FANTASY is in now?!

That's it - I'll sell naked pictures of myself online! For PROFITS!

T-REX COMICS

Maybe I could win the lottery!

For most of his life he documented the disappearing "great race" of the Indian!

I believe I'll offer some advice on employing everyday filmic techniques!

Lesbians!

Okay! The first way is to draw attention to your hips!

I'm a statue!

And let us further assume that everyone's parents had a biological mother and father too!

Infinite time! Kick ASS!

It's SO GOOD.

I'm really glad I didn't lie about this, Utahraptor!

How is this even possible?!

If I copy it, then there'll be tons of my AIs running around, and that's a problem!

For example!
